

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Marion GUY

Marion Guy, husband Murray. Experience – registered nurse 30 years includes community (Eastern and Western Bay), hospital, national work. President NZNO and member of PHO board all equates to a broad view of health. During first term as an elected member of the BOP District Health Board, my health experience has been invaluable in providing solid grounding for decision making. The changing health climate requires decision-makers to have a degree of understanding about the issues being discussed and how the health system works. Central to my decision-making is the culture of our health board area- to advocate for quality healthcare, for all people in our community. In addition to promoting more ‘affordable, accessible and appropriate’ health services, I am committed, dedicated and focussed on ensuring greater emphasis is placed on community care, health education, preventative measures, aged care, individual and culture specific health provisions. Marion Guy – Number 1.

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Bay of Plenty District Health Board that may arise in the future: I am a current board member of the Western Bay of Plenty Primary Health Organisation. I am President of the New Zealand Nurses Organisation.
