

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Mark ARUNDEL

As a community pharmacist with teenage family and extended family at both ends of the spectrum, I am acutely aware of the demands our DHB faces now and in future. I have daily contact with patients from every part of our society and offer a broad perspective of health professions. With two terms as an elected member and experience of all the 'health reforms' I have some 'institutional memory'.

I am especially keen to see the establishment of a clinical school in the BOP to help us recruit and retain the best staff possible in a competitive global market. I am a 'problem solver' and a pragmatist whose vested interest is to ensure we plan to cope with the huge demand ahead, while achieving our best today.

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Bay of Plenty District Health Board at the date of my notice of consent to being nominated as a candidate:

I am a registered pharmacist and pharmacy proprietor of Bethlehem Pharmacy, Tauranga.

Bethlehem Pharmacy 2001 Ltd has a contract to dispense pharmaceutical supplies to eligible people with BOPDHB.
