

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Mary HACKETT

I have been Chair of the Bay of Plenty District Health Board for 2 terms. I am standing again to continue the work of the Board.

I have both clinical and business qualifications so have the skills to lead and add value to the District Health Board. As Chair I have been able to lead a board and provide strategic direction for staff in the development and investment of

health services.

I am connected in the community with many groups; I am a member of the Institute of Directors, having completed the Senior Directors and Chairs Forum, the latter by invitation only.

I chair the Midland Regional Chair's Health Forum. I have a track record as Chair of the DHB for getting things done while working within budget. In the past 6 years clinical services have increased as evidenced by outpatient and surgical throughput.

The building programme is on time.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Bay of Plenty District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the District Health Board, and I do not believe that any such conflicts of interest are likely to arise in future.
