

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Materoa DODD

I was born in Whakatane with tribal connections to Ngati Awa (Whakatane) and Ngai Te Rangi (Tauranga). I am a Senior Lecturer and international researcher at the University of Waikato. My area of speciality is governance and analysis of evidence based research about the impact global development trends have on our societies and our people.

I have experience as a governor, on both tribal and university organisations including the executive of Te Runanga O Ngati Awa, Te Whare Wananga O Awanuiarangi, and the University of Waikato Council.

The Bay of Plenty District Health Board needs a refreshed elected membership. We need high quality health outcomes for old, young, east and west, rural and urban – the whole of the Bay of Plenty – the myriads of Toi. I would like to be an elected member to bring effect to the simple greeting and mantra for good health – Kia ora!

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Bay of Plenty District Health Board at the date of my notice of consent to being nominated as a candidate: Senior Lecturer, University of Waikato.

Wharepaia Hapu Representative, Te Runanga O Ngati Awa Member, Te Whare Wananga O Awanuiarangi Council, Chair Wharepaia Hapu Trust.
