

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Mogens POPPE

Stop bureaucracy! Vote for commonsense. Spend money on patient care, not on managers! As a GP in Ohope I get bombarded with more red-tape every day.

My patients get bumped off waiting lists, our hospitals have many administrators and less-and-less doctors, nurses and radiographers.

Staff fight hard to achieve pay increases. Administering strikes costs more than settling pay claims.

Bay of Plenty patients pay for a range of blood tests Auckland patients don't.

Our DHB needs to wake up – if elected I'll make sure they will!

I have been a doctor since 1986. I have been an Ohope GP since 2002 and before that a solo Country GP on the Coromandel for 8 years.

Since 1989 I have been happily married to Sabine and together with our four children we love living in the Bay of Plenty. I believe Bay of Plenty people deserve a better DHB.

Conflict of Interest Statement

I hereby disclose the following conflict of interest with the Bay of Plenty District Health Board at the date of my notice of consent to being nominated as a candidate:

Other than working as a General Medical Practitioner in Ohope I do not have any conflict of interest.
