

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Rosemary PETTIT

I believe I can be a positive influence on the District Health Board because: I have an interest in health services after having worked in the past as a School Dental Therapist for Western Bay Health; I have an interest in children's health, preventive health policies and delivery of services; I have run my own business, so am familiar with budget constraints, meeting goals and reaching targets; I come with a down to earth approach to policies and their implementation; I want to support the district Health Board in its delivery of first class health services to our district. I believe we have a very positive future ahead of us.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Bay of Plenty District Health Board at the date of my notice of consent to being nominated as a candidate for membership for the board of the District Health Board, and I do not believe that any such conflicts of interest are likely to arise in future.
