

BAY OF PLENTY DISTRICT HEALTH BOARD

Election of seven (7) Members

Yvonne BOYES

As a nurse and an already elected member of the Bay of Plenty DHB, I know I have the knowledge and commitment to continue to advocate for the health needs of the communities of the Bay. I have lived in the Eastern Bay for 25 years and have practiced as a District Nurse and as a Director Nursing at Waipuna Hospice. In this time I have developed an expertise in cancer nursing. With this strong interest in cancer and the needs of the community there is a strong desire to continue to strengthen the service provision to the communities of the Bay. Hence my involvement with Project Hope Whakatane and Bay Health Foundation based in Tauranga. Being elected for 2 terms I am in a fortunate position to have an excellent understanding of the operations of the DHB. My strengths are health background, commitment to community and the BOP environment.

Conflict of Interest Statement
