

## About the facilities

The Bay of Plenty Clinical School is located on the Tauranga Hospital campus on the ground floor of Pohutukawa House (building no 34) directly opposite the main hospital entrance.

School facilities are used by undergraduate students on clinical placement in the DHB's services, by DHB staff involved in postgraduate clinical training, and by external education providers delivering health-related courses.

The School offers:

- Air-conditioned tutorial rooms, a skills laboratory/lecture room and IT training facilities all with in-built projection/presentation equipment
- The facilities also provide a lounge area, computers with internet access, a self-catering kitchen and access to in-house catering services
- The Medical library is in the adjoining building

## How to find us

- Bay of Plenty Clinical School, Tauranga Hospital, Cameron Road, Tauranga (in between 17th and 20th Avenues)
- Ground floor Pohutukawa House (Building 34) directly opposite the main hospital entrance alongside carpark C
- Reserved School parking is available for tutors/presenters. Additional parking is provided in the designated hospital parking areas (on campus and in Clarke Street) and in the streets surrounding the hospital site

## Tutorial rooms

The School has 2 tutorial rooms that comfortably accommodate 14 people in any of the following configurations:

- Boardroom/meeting style
- Desks and chairs classroom style
- Tablet chair lecture-style seating

Each room is equipped with a ceiling-mounted data projector, projection screen, laptop, flip chart, electronic whiteboard with printer and a conference phone.

### **Fee for external training providers**

\$30 + GST per hour

## Skills laboratory/lecture room

The skills laboratory is a long narrow room that can accommodate 6 patient beds for clinical skills training, or 40 tablet chairs in lecture style seating (or a combination of the two). This room has bi-fold doors that can be closed to provide two separate training areas.

The room is equipped with a ceiling-mounted data projector, projection screen, laptop, flip chart, electronic whiteboard with printer and a conference phone.

### **Fee for external training providers**

\$60 + GST per hour

## IT training facilities

The IT training facilities comprise one large room with 12 computers and a smaller room with 4 computers. The larger room has a state of the art interactive touch whiteboard and data projector.

### **Fee for external training providers**

Large room \$70 + GST per hour  
Small room \$30 + GST per hour

The School also provides a lounge area with computers with internet access; self-catering kitchen facilities and access to in-house catering services; student lockers and internal access to the medical library.
