

CARE DELIVERY – NURSING AND MIDWIFERY

POLICY STATEMENT

All Bay of Plenty District Health Board (BOPDHB) nursing and midwifery units will have an identified model of care delivery:

1. The care delivery model will articulate who is going to perform particular aspects of care, who is responsible for decision making and how care is co-ordinated
2. The care delivery model will include a method of matching patient / client acuity to staffing.

PURPOSE

To ensure that safe patient / client and family centred care is delivered using available staffing resources effectively and efficiently.

EXCLUSIONS

There are no exclusions.
