The Bay of Plenty District Health Board
The District Health Board’s fundamental purpose is to work within the resources allocated to it, to improve, promote and protect the health of the whole population within its district, and to promote the independence of people with disabilities.

**Vision:** Healthy, thriving communities.

**Mission:** Enabling communities to achieve

**Our Values:** Compassion, All-one-team, Responsive, Excellence

The Bay of Plenty District Health Board (BOPDHB) is committed to the Treaty of Waitangi principles of Partnership, Participation and Protection, and to meaningful engagement in decision-making with Tangata Whenua at strategic, operational and service levels.

Delivering this commitment is through: the implementation of our He Pou Oranga Tangata Whenua Determinants of Health framework: respect for and promotion of our Kawa and Tikanga Māori; ensuring cultural safety; seeking to eliminate disparities in health between Māori and Non Māori.

All staff have a part to play in this commitment.

**Primary Purpose**
The Registered Nurse is employed to provide safe, effective client care using professional knowledge and skills in accordance with Bay of Plenty District Health Board:

- Policies and protocols
- Registered Nurse Scope of Practice
- Nursing Practice Standards
- Professional Development and Recognition Programme (PDRP)
Principal Accountabilities

1. Management of Nursing Care
   - Undertakes a comprehensive and accurate nursing assessment of clients using suitable assessment tools underpinned by evidenced based knowledge
   - Contributes to care planning, involving clients, and demonstrates an understanding of clients’ rights to make informed decisions
   - Ensures the client is provided with appropriate information to make informed decisions relating to treatment, and care reflects clients preferences
   - Provides nursing care according to plan and undertakes clinical practice procedures and skills in a competent and safe way
   - Able to discuss ethical issues related to area of practice with clients/families and the health care team
   - Ensures documentation is current, accurate, timely and maintains confidentiality within a legal and ethical framework
   - Demonstrates computer skills necessary to collate data for essential care delivery
   - Evaluates client’s progress toward expected outcomes, including treatments and health education, in collaboration with the client and the health care team
   - Evaluates the effectiveness of nursing care seeking assistance and knowledge as necessary
   - Educates client to maintain and promote health according to client needs
   - Takes appropriate nursing actions in emergency situations and other situations that compromise client safety
   - Demonstrates commitment to the Treaty of Waitangi, the application of the Treaty to practice, and the improvement of Maori health status
   - Practises nursing in a manner that the client determines as culturally safe
   - Promotes an environment that enables client safety, independence, quality of life, and health
   - Duties are rostered and rotating where a 24 hour, 7 day service is provided

2. Professional Responsibility
   - Practises safely based on professional, ethical and legal standards in accord with relevant legislation, codes, and policies and upholds client rights derived from that legislation
   - Takes responsibility for maintaining own professional development, including mandatory organisational requirements, updating knowledge to reflect best practice, and sharing knowledge with others
   - Contributes to the support, direction and teaching of colleagues to enhance professional development
   - Maintains a professional portfolio
   - Demonstrates accountability for directing, monitoring and evaluating nursing care that is delegated to Enrolled Nurses and Health Care Assistants
   - Participates in regular Performance Reviews and contributes to peer review
   - Maintains infection control principles
   - Evaluates environmental safety, completes hazard identification and risk assessments
   - Proactive and responsible in maintaining health and safety for clients, staff and public

3. Interpersonal Relationships
   - Initiates, maintains and concludes therapeutic interpersonal interactions with clients
   - Communicates effectively, positively and courteously with clients and the health care team
• Resolves problems and conflicts effectively using organisational structures and processes
• Practises nursing in partnership with the client acknowledging family/whanau perspectives and supports their participation in services.

4. **Inter-professional Health Care and Quality Improvement**
• Collaborates and co-ordinates care with other health professionals to ensure a quality service
• Maintains and documents information necessary for continuity of care and recovery
• Develops a discharge plan and follow up care in consultation with the client, family and other health team members
• Makes appropriate referrals to other health team members
• Recognises and values the roles and skills of all members of the health care team in the delivery of care
• Demonstrates a knowledge of community services and resources
• Participates in continual quality improvement activities to monitor and improve standards of nursing
• Participates in review and audit of practice and policies based on research

A function of BOPDHB is to provide a 24-hour service. This may at times necessitate you being required to change duties or transfer to another ward or department to ensure adequate coverage.

This position description is not exhaustive and the incumbent may be requested to perform any reasonable task within the scope of the position as requested by the Line Manager

This position description will be reviewed from time to time in consultation with the incumbent.
